25X1

It has been observed for about one month that Soviet Air Force officers and men in Doeberitz (N 53/Z 65) have new uniforms. Description: Color unchanged, single-breasted jacket, open collar, shirt with tie. Cut and way of wearing similar to the old German Air Force uniform. An insignia looking like the mixture of the former German national emblem and a pilot's insignia was worn on the right breast.

25X1

comment:
The introduction of a new uniform by the Soviet Air Force was confirmed 25X1
